- Bootstrap
- Servlet, JSP, JSTL, Thymeleaf
- Git

Tool

- IntelliJ IDEA -2023.2
- VS Code -1.85.2
- Source Tree - 3.4.13
- Postman - 10.22.3
- Cloudinary
- MySQL Workbench 8.0.34

SOFT SKILLS

- English (TOEIC 820 Certification)
- Office Computer (MOS Excel Certification)
- Self-Learning
- Research
- Teamwork
- Problem-solving

LE QUOC HUY

FRESHER JAVA WEB

ABOUT ME

Winston Churchill once said: "The pessimist sees difficulty at every opportunity. Optimists see opportunity in all difficulties." This is a quote that helps me to be a person from accounting to IT. I possess a strong passion for technology, strive for progress in my work, and have an eagerness to explore, learn, create, and maintain discipline. I have a sharp programming mindset and adapt well in high-pressure environments.

TARGET

Short-term goal (6 months - 1 year):

Improve programming skills with Java. Achieve IELTS 6.5 certification within one year.

Long-term goal (3-5 years):

Become a key programmer in the company's workforce and achieve the position of a Middle-level developer within 3 years of working.

EDUCATION BACKGROUND

HUE COLLEGE OF ECONOMICS (2017-2021)

- Graduated in Accounting

CODEGYM TRAINING CENTER IN HUE (06/2023-02/2024)

- Java Fullstack Developer

CERTIFICATION

- TOEIC 820 Certification
